

# ULTIMATE ANGEL

**Manifestation**

**KIT**

## Follow These Steps to Manifest

1	<p><b><u>Write Down What You Want In The Form Of "I Am."</u></b> Putting your desires in the form of "I am" pulls them into the present moment as if they are happening now.</p>
2	<p><b><u>Read It Out Loud To Yourself.</u></b> Hearing yourself say it aloud brings more senses into play once you've moved it from your head to paper.</p>
3	<p><b><u>Experience Your Desire.</u></b> If you wish to go somewhere, imagine yourself there and pay attention to how it makes you feel.</p>
4	<p><b><u>Ask For A Helping Hand.</u></b> Ask for help from your Angels, Spirit Guides, and Higher Self, and pay attention to the signs.</p>
5	<p><b><u>Be Open To The Possibility Of Something Better.</u></b> This is significant because you have no idea what the true divine plan for you is. You might get something much greater than you expected.</p>
6	<p><b><u>Be Grateful For The Things You Already Have.</u></b> Recognize what you've already accomplished in your life. Even if you don't realize it, you're manifesting every day. It's yours.</p>
7	<p><b><u>Live From The Bottom Of Your Heart.</u></b> You will receive love energy if you give out loving energy. What you send out into the Universe is returned to you.</p>
8	<p><b><u>Maintain A Positive Vibrational Energy Level.</u></b> We all go through challenging moments, but we attempt to find the humor in them. So, try to look for the positive in every situation.</p>
